EDUCATION

- B.E. Computer Science & Engineering
- East West Institute of Technology, Bangalore
- 9.1 CGPA | 2022-2026 (Final Year)

KEY PROJECTS

- **Faculty Portal (Angular):** Supported structured CRUD operations, maintained project documentation, and tracked task progress to ensure consistency and clarity during development.
- **Epileptic Seizure Detection (EEG Signals):** Assisted in understanding project workflow, feature extraction concepts, and classification logic, along with organizing data and documenting evaluation results.
- **Operational & Academic Support Work:** Maintained trackers, documentation, and reports; supported coordination, follow-ups, and basic data consolidation to ensure timely completion of tasks.

SKILLS

- Operations coordination & task tracking
- Documentation & knowledge management
- Data collection & basic reporting
- Scheduling & communication support
- Process improvement mindset
- Attention to detail & follow-through

CERTIFICATIONS & ACHIEVEMENTS

- **AWS Certified – Cloud Fundamentals:** Knowledge of cloud systems and structured operational workflows.
- **Best Communicator Award:** Recognized for clear communication and effective coordination in team settings.

Focused on understanding workflows, supporting teams effectively, and contributing to process efficiency in a structured operational environment.
